

Wind 1kw and solar 1kw off grid hybrid 2KW system		Model:	
hybrid 2KW system including:	wind turbine 1kw/48v (with 3blades, guy cable tower 6m)	FD3.0-1000 : 1kw/48v	
	Solar panel 1kw(250w4pcs)	OYD-250W	
	off grid controller 2kw/48v (with dumpload box)	hybrid controller: FDC-2kw/48v	
	deep cycle battery 12V200ah8pcs	battery: GFM-12V200AH8pcs	
	off grid inverter 2kw/48v	inverter: NB-W 2kw/48v	
Model	Features	QTY	Price(USD)
wind turbine 1kw 	wind generator 1kw/48v size:680*410*330mm, weight:47kgs lifetime: 20 years, warranty: 5 years	1	415
	Features 1. Magnetic saturation generator design, 20years designed life. (Patent No.: ZL 2007 2 0010261.7) 2. 2-2.5m/s start-up wind speed under low torque start-up technique. (Patent No.: 201020259728.3) 3. Mechanical automatic yawing. 4. Match controller with constant voltage charging, electronic and manual brake, and numeral panel display. (Patent No.: 200910213782.6) 5. 1KW blades are casted into molding at one time with balance up to 99%. 6. Bearings import from Japan (NSK), long service time (5 years maintenance-free). 7. Magnetic saturation design, the generator coil couldn't burn down because of the increasing power, when generator runs at a super wind speed and saturates automatically. 8. low cut in wind speed (3m/s) to gurantee the maximum generation at low wind speed		
	3 blades size:1600*200*220mm, weight:21kgs	1 set 3pcs	70
	guy cable tower 6m φ89×δ3.5×6m weight: 110kgs	1 set 2 sections	128
Solar Panel 1kw(250W4pcs) 	250W Polycrystalline Solar Panel 4pcs Max Power :250W VMP: 30V Imp: 8.11A Size:1650*992*40 mm Weight: 20KG / PCS warranty: 5years	4	162.5*4=650
Hybrid off grid controller 2kw 	1. PWM charging protection. 2.output stable voltage. 3. With manual and electric braking. 4.Overtoltage protection. 5. Can use hybrid wind turbine and solar panel system(optional). 6.2KW controller with dump load box.	1	180
deep cycle Battery 	12V 200AH deep cycle battery 8pcs Weight: 57kg per each Warranty: two years lifetime: 8 years	8	190*8=1520
off grid Inverter 2kw 	2KW Pure Sine Wave Inverter Rated capacity(W): 2KW DC input:48V AC Output: 220V Size:470*193*333 Net Weight: 25KG LED dispal, Over-voltage; Low voltage protection. Warranty: 2 years	1	240
Remark: 1. Price terms: FOB Foshan, China. 2. Price Validity: Generator and battery prices valid for one month, other items valid for 3 months. 3. Payment: T/T full account in advance. 4. Warranty: wind generator, solar panel 5 years, deep cycle battery, controller, inverter 2 years. 5. Minimum order: 2pcs 6. Delivery time: would be 10-15days from receipt of deposit.		Total FOB Foshan, China price: USD3203
